Meet the Visionaries Behind Getwell Biocare

A team of healthcare entrepreneurs and research specialists envisioned Getwell Biocare to bridge the gap between nature and advanced science.

Our Founders

Ms. Deepti Srivastava
Co-Founder & CEO

A pharmacy graduate with a passion for blending science and natural wellness, Deepti drives innovation and operations at Getwell Biocare. Her focus on quality and customer trust has positioned the company as a leader in nutraceutical and Ayurvedic manufacturing.

Mr. Abhinav Srivastava
Co-Founder & COO

With over two decades in finance and strategy, Abhinav steers growth, partnerships, and new product development. His leadership ensures strong market presence and global standards in every formulation.

Together, Deepti and Abhinav share a single mission: to create reliable, evidence-based wellness products that naturally improve lives worldwide.
